

Digital Prints By Mail Order

Photomax print digital photos from digital cameras online. Real photo quality pictures from our online processing and printing service.

About Mail Order

As an alternative to ordering prints online you can send in your photos to our lab on CD for printing. Please print this order form and include it with your CD and payment. **Service time** is usually 2 business days from when we receive your CD order plus shipping.

To Order by Mail

Print and complete this form and send it with your CD to:
PhotoMax Mail Order, 36 Punch Street, Artarmon, NSW, 2064

Choose Express Prints for best value. Express prints means that we will print all the photos on your CD - you must copy only the photos you want printed onto the CD. You can choose 10x15cm or 10x13.5cm prints for express prints. Most digital photos will fit best on 10x13.5cm prints and cropping is likely to occur if you select 10x15cm prints from digital a camera.

Choose Selected Prints if you only wish to have certain photos printed or if you require enlargements or a mixture of sizes. Limited print size range available.

Note about cropping: If cropping is necessary we will select the default crop, an even amount each side of the photo.
